GOVERNMENT GARDENS DEPARTMENT, LAL-BAGH, BANGALORE.

Tender Notice.

Separate sealed tenders for the following will be received in the Office of the Superintendent, Government Gardens in Mysore at Lal-Bagh, Bangalore, up to 3 P.M., on the 30th July 1934, for the supply of (a) Food grains, (b) Packing materials, (c) Pots, Seed pans, etc., (d) Baskets, Bamboos, etc., (e) Road materials, (f) Manure, Sand, etc., (g) Hardware, (h) Tools, Implements, etc., (i) Wood, (j) Miscellaneous articles, (k) Chemicals, etc., and Chemical manures to Lal-Bagh and other gardens in Bangalore, as detailed in the undermentioned lists. The contract will be for a period of one year from 1st July 1934 to the end of June 1935.

Conditions.

1. No tender will be received after the date mentioned above.
2. Tenders should be superscribed "Tender for the supply of (a), (b), or (c)" etc., as the case may be.
3. Tenders will be opened at 4 P.M. on 30th July 1934, in the Office of the Superintendent, Government Gardens in Mysore, Lal-Bagh, Bangalore.
4. The tender which should be in the form given below, wherein are given the approximate quantity and description of articles required, should state clearly in cloumn 5 the rate at which each article can be supplied throughout the period and must be accompanied by samples.
5. Every tender should be accompanied by the Treasury Duplicate Chellan for having remitted the earnest money of Rs. 100 in all cases except for Pots, Baskets, etc., which is Rs. 50. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws from his tender before the acceptance or non-acceptance of his tender is communicated to him. In case of rejected tenders, the earnest money will be refunded.
6. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions for the due fulfilment of the contract. The amount so deposited will be refunded to him on the termination of the contract at the end of the period. Supplies will have to commence immediately the tenders are accepted.
7. The rates quoted should include the cost of free delivery at Lal-Bagh and other gardens in Bangalore, such as Cubbon Park, Kumara Park, etc., as will be noted in the indents that would be sent to him.
8. The contractor should present his bills once a month or supplies made by him during the month to this office for arranging payment of the amount due to him.
9. No application from the contractor for any sort of concessions whatever in consequence of the rise in the price of the articles in the market due to scarcity or other causes will be considered.
10. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposits forfeited to Government. The contractor will also be bound to make good any loss which may arise from his failure to supply the articles contracted for or by Government having to purchase the articles specified in the contract in the local makets at higher rates than those contracted for.
11. The Superintendent, Government Gardens in Mysore, reserves to himself the right of finally accepting or rejecting any tender without assigning any reason therefor.
12. The supplies are to be made according to approved samples, and the quantities indented for are only approximate and cannnot be guaranteed.
13. The rate to be quoted should be in accordance with the list to facilitate tabulation and in the prescribed tender form, which can be obtained in the Office of the undersigned.

Dated 12th July 1934.

Notice is hereby given that separate sealed tenders will be received at the Office of the Superintendent, Government Gardens in Mysore, Lal-Bagh, Bangalore, up to 4 P.M., on 30th July 1934 for (A) annual repairs and special works to be done to buildings, culverts, etc., (B) special repairs to roads, (C) earth work in Lal-Bagh and other Gardens and Parks, up to the end of June 1935.

2. Tenders should be submitted on printed forms (which may be obtained from the office of the undersigned) showing the rates at which different items specified will be executed.

3. Each tender must be accompanied by a deposit of rupees one hundred in cash as earnest money, and it should be superscribed "Tender for Annual Repairs and Special Works of Buildings, etc.," "Special Repairs to Roads," "Earth Work," in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Superintendent, Government Gardens in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be cancelled and his earnest money will be forfeited to Government.

6. The successful competitor whose tender is accepted will be informed in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

7. The earnest money on rejected tenders will be returned.

8. Rate should be quoted for each item of work.

9. Percentage rates either below the estimated amount or the lowest tender will not be accepted.

10. In case of the non-tendered item, the departmental rates should be accepted by the contractor.

11. The undersigned reserves the right to get any work executed by departmental agency.

12. No claims for enhanced rates should be preferred at any time during the period of contract.

13. In all matters of dispute regarding quantity of work or rates, etc., the decision of the Superintendent, Government Gardens in Mysore, is final.

14. After completion of each estimated work, final measurements will be taken and checked, and the bill concerned will be arranged for payment.

Notice, dated 19th July 1934.

Notice is hereby given that separate sealed tenders from local approved firms and merchants in Mysore City for articles noted below will be received up to 4 P.M., on 6th August 1934, by the Superintendent, Government Gardens, Bangalore, for the supply by contract of contingent articles, pots and manure for the Parks and Gardens at Mysore from 1st July 1934 to 30th June 1935 both days inclusive.

2. No tender will be received after the date mentioned above.

3. Tenders to be superscribed "Tender for the supply of (1) "Contingent articles," (2) "Hardware and Miscellaneous articles," (3) "Pipes and fittings," (4) "Road materials," (5) "Pots," (6) "Manure," and (7) "Miscellaneous articles."

4. Every tender should be accompanied by the Treasury duplicate chellan for having remitted the earnest money of Rs. 100.

5. Tenders will be opened at 4-30 P.M., on the 6th August 1934 at the Office in Lal-Bagh, Bangalore.

6. Any tender may be rejected without reasons being assigned therefor.

7. The deposit of the successful competitor which will be retained will be forfeited, if he fails to execute the contract bond within three days from the acceptance of his contract being made known to him.

8. Payment for the articles supplied will be made by the Superintendent, Government Gardens, as soon as possible; no advance in cash will be made to the contractor.

9. The quantities mentioned in the list are not guaranteed, the contractor is not entitled to any compensation on this account.

10. The supply should be delivered in time as per indent sent by the Curator at any place in Mysore free of deliver charges.

11. All articles should be of the best sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality, otherwise they will be purchased by the Curator, Parks and Gardens, Mysore, from elsewhere and the charges debited to the contractor.

12. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice at prevailing market rates and at short notice.

13. The rate for each item should be given as noted in the order of the schedule published.

14. Samples of articles should be produced.
